Fraction strips, fraction circles, and fraction worksheets. Lots of grammar worksheets that cover a variety of topics. Measure and calculate the perimeter of polygons. Learn about place value for 2, 3, 4, 5, 6, and 7-digit numbers. Help Inspector Numerico solve these mystery number challenges. Solve the problems on each page and color according to
the key to reveal a fun, colorful mystery picture. Multiplication Worksheets Use these quizzes, games, and worksheets to teach basic multiplication facts (0-12). Chinese New Year Worksheets Create Chinese New Year lanterns and calendars. Printable lesson planners, student agenda pages, gradebook charts, student awards, and more Learn about
perimeter, area, polygons, solids shapes, angles, symmetry, and tessellations. Explore thirty units of common sight words to help young readers master reading. Learn about place value for 2, 3, 4, 5, 6, and 7-digit numbers. Seventh grade language arts has children analyzing higher-level texts and expressing themselves through different types of
writing. Children will continue to learn new subject-specific words and encounter those words in the texts they read. They will then utilize those words when creating effective presentations and writing different types of
texts. To find inspiration for their writing and to help keep their minds sharp for analysis, children can play a large selection of free vocabulary games, including those that involve breaking codes and solving crossword puzzles. Definition: The percent, base, and rate are connected with one another in terms of computation. To find the percentage,
multiply the base by the rate. Remember that the rate must be changed from a percent to a decimal before multiplying can be done. Rate times base equals percent. BASE (B=P/R) - The whole in a problem. The amount you are taking a percent of. RATE
(R=P/B) - The ratio of amount to the base. It is written as a percent. Applying Percentage, Base, and Rate Worksheets This is a fantastic bundle which includes everything you need to know about Applying Percentage, Base, and Rate Worksheets This is a fantastic bundle which includes everything you need to know about Applying Percentage, Base, and Rate Worksheets This is a fantastic bundle which includes everything you need to know about Applying Percentage, Base, and Rate Worksheets. Each ready to use
 worksheet collection includes 10 activities and an answer guide. Not teaching common core standards? Don't worry! All our worksheets are completely editable so can be tailored for your curriculum and target audience. Opinion Writing: My Favorite FoodOpinion Writin
a graphic organizer to plan their thoughts, then refer to it to write a short opinion piece about their favorite dinner. 3rd gradeReading & Writing Our printable writer's block and will kick-start their creativity to write engaging
narratives, reports, and essays. Challenge kids with writing tasks that require critical thinking and implementing writing techniques. Grab our free pdf 6th grade
writing prompt worksheet and the others will soon be on your wish list for sure! How Is Life in an Igloo? How do igloos keep you warm in the worst winter conditions? Interesting, isn't it? Narrate how life in an igloo would be like. Support your claims with clear reasons and relevant evidence. Look before You Leap Opinions differ on whether we
should carefully consider the consequences before doing something or we should be daring and adventurous. Write an opinion essay explaining your point of view. Baking a Birthday Cake In this printable 6th grade writing prompt worksheet, write step-by-step instructions on how to make a birthday cake. Include details of what ingredients to use,
too. Endangered Animals Write a research report on animals that are in danger of being harmed or lost. Gather information from multiple print and digital sources; quote or paraphrase the data to avoid plagiarism. Book Report 6 Which book did you read recently? Write the title and author's name. Besides providing a summary, describe the story
 setting and main events. Do let us know more about your favorite part in it. Story Prompt 1 A room at your grandmother's, which is always locked, is open one day. Write a story about what happened next. An excellent opportunity for grade 6 kids to express themselves through writing. Air Pollution Air pollution is a major concern, and many believe
the best way to address this is to ensure as many people use public transport as possible. Write if you agree. Provide reasons and examples. Riding a Bike It's important for children to learn how to ride a bike because it not only helps them move out independently, it also makes them more responsible. In this 6th grade pdf, write how to ride a bike.
Niagara Falls This printable writing prompt asks kids to prepare a research report on Niagara Falls. Provide the basic bibliographic information of the sources you use. Draw evidence to support reflections. If I Won a Jackpot We all dream about winning a jackpot someday! Imagine you won a huge jackpot - one that's worth $1,000,000! What would
you do? Write a narrative to develop this imagined experience. Social Media Social media has come a long way since it began! For example, it offers an incredible chance to meet people. Write a research report on websites that allow people to communicate with each other. Story Prompt 2 The oldest form of written composition, story writing is an art.
 In this writing prompt pdf worksheet for grade 6, write a story about what was inside a mysterious package that was on your doorstep. Technology in Classroom While technology makes learning easy, it also helps make life more enjoyable. In this part of our writing worksheets for grade 6, write if you agree with this statement. Provide evidence
Retelling the Story with a Twist This printable writing prompt is fun! The main character of your most loved story has stepped out. Write what happened next. Use narrative techniques, such as dialogue and description. Story Prompt 3 This part of our 6th grade writing prompt worksheet pdfs is a story about life with aliens. Help yourself gain
significant literary momentum through this creative exercise! Leave your readers craving for more! If I Were a Zookeeper You are greatly concerned about animals if you were the zookeeper at the Bronx Zoo for a day. What steps would you take? Though I no longer teach sophomore
students, I will always have fond memories of my 10th grade British literature students. If your 10th grade students were prepared like mine, you might be better off starting on this page contains all of my reading worksheets that were written at a 10th grade reading level. Please remember that readability scanners are imperfect. They are
a good place to start though. You may want to click the buttons below to open up additional grade levels. It will provide you with a greater range of material and the content should still be sufficiently challenging for 10th graders. Only Include Worksheets Written at the 10th Grade Level Not Recommended Include Worksheets Within 1 Grade Level
(9th through 11th) Include Worksheets Within 2 Grade Levels (8th through 12th) Recommended These are the worksheets that I have written at or around the 10th grade reading level. I loved working with my sophomore students and I hope that you do too. Please let me know if these activities have helped you. I appreciate any comments,
corrections, and feedback. I am inspired and motivated by your words and your commentary makes this website richer. Oh, those loveable 6th graders! What would middle school be like with out them? Here are all of my reading worksheets that were written at the 6th grade level. I used this fantastic site to determine the readability scores of these
worksheets, but you should read and approve them yourself before giving them to your students. Readability scores are not perfect and there are many different algorithms to determine readability scores. I use an average of these scores, but they can vary wildly. For these reasons, I encourage you to open up the reading levels two grade levels in
each direction. This will give you a good selection of texts that are appropriate for a 6th grade Level (5th and 7th) Include Worksheets Within 1 Grade Level (4th through 8th) Recommended Currently Showing These Types
